

TouchNTuff™ 92-670

PRODUCT SUSTAINABILITY FACTSHEET

Manufacturing

Made in a facility:

54%

Running on 54% renewable energy ¹
From biomass

20%

Recycling min. 20% of water to
reduce freshwater usage ²
Through reverse osmosis technology

> 99%

Certified by Intertek for diverting
>99% of waste from landfill ³

With accredited Environmental and
Energy Management Systems ⁴

Certified to ISO 14001:2015 and ISO
50001:2018 by BSI

Packaging

Plastic-free ⁵

Recyclable ⁶

min. 70%

Packaging includes min. 70%
recycled material ⁷

Shipper cases min. 90%, dispensers min. 70%.
