

Nitrile ambidextrous gloves,
touchscreen compatible, 3 mil/0.076
mm thick and 12"/300mm long with
beaded cuffs and textured fingertips

- **Designed for Productivity:** KleenGuard™ Personal Protective Equipment (PPE) enables rather than inhibits allowing for maximum productivity and safety for you and your employees
- **Designed for Protection:** When you need a thin mil glove to help protect without sacrificing productivity, KleenGuard™ G10 Flex™ Blue Nitrile Gloves are a great choice
- **Designed for Versatility:** Suitable for general purpose applications (as in painting, automotive and small parts handling, and precision electronic assembly) and food handling, these blue nitrile gloves are 3.0 mil thick and 9.5" inches long
- **Designed for Convenience:** They are powder-free, ambidextrous, touchscreen compatible and are not made with natural rubber latex
- **Certified for Food Use:** With their signature blue color, the KleenGuard™ G10 Flex™ Blue Nitrile Gloves meet US FDA regulations for materials used in food contact applications
- **Trusted for Protection:** These blue nitrile gloves are a leading choice across a variety of industries because they are comfortable to wear, provide excellent tactile sensitivity and deliver reliable protection for the task at hand
- **Made for Sustainability:** In addition, these gloves are recyclable through The RightCycle™ Program
- **Designed for Protection:** KleenGuard™ G10 Flex™ Blue Nitrile Gloves offer the protection of nitrile at a great everyday price also making the right Personal Protection choice is difficult
- **Designed for Performance:** Perform with distinction with KleenGuard™ Personal Protective Equipment (PPE)

Nitrile ambidextrous gloves,
touchscreen compatible, 3 mil/0.076
mm thick and 12"/300mm long with
beaded cuffs and textured fingertips

Key Features

- ♦ **Food-Safe Design:** Ambidextrous, powder-free, touchscreen compatible gloves; meet US FDA regulations for food contact applications
- ♦ **Design:** Comfortable, protective and user-friendly; textured fingertips for dexterity; not made with natural rubber latex
- ♦ **Beaded Cuff:** Gloves have 3 mil thickness and are 9.5" long; beaded cuffs prevent roll-down; useful for light-duty tasks
- ♦ **Sustainable Construction:** These blue nitrile gloves can be diverted from the landfill through The RightCycle™ Program
