

ACTIVARMR™

23-191

Maintain a secure grip when the temperature drops

Cold

HD

Heavy Duty

Versatile, heavy-duty work gloves, ensuring warm, dry hand protection in cold conditions

- **Enhanced durability:** ActivArmr™ 23-191 durable work gloves are not only cut out for extended wear in abrasive conditions, but are ideal for wet and oily low-temperature environments, with optimal grip performance for heavy-duty handling
- **Increased comfort:** These PVC-coated insulated work gloves also provide warm, dry comfort, thanks to their foam insulation
- **Optimized agility:** Anatomically designed for challenging tasks, ActivArmr™ 23-191 safety gloves ensure a particularly secure fit around the fingers, enabling ease of movement and preventing hand fatigue
- **Certified cold resistance:** These heavy-duty work gloves also satisfy EN 511-111 cold contact standards, for reliable hand protection at low temperatures

Industries

- Metal fabrication
- Automotive

Applications

- Handling materials with sharp or rough edges
- Fabricating metal parts, glass sheets
- Production line support & maintenance
- Equipment repair & maintenance
- Assembly and disassembly of equipment
