

Previously known as: MICROGARD® 2000 STANDARD - Model 111

### Superior, breathable microporous laminate suit, perfected for industrial applications.

- **Specialized protection:** The AlphaTec® 2000 STANDARD Bound - Model 111 grants wearers moderate chemical protection\*, resisting liquid and particulate biological hazards (including radioactive particulates\*\*)
- **Advanced breathability:** The use of microporous polyethylene laminate nonwoven fabric makes it water vapor-permeable, reducing heat stress
- **Assured antistatic capabilities:** In addition, this protective suit satisfies EN 1149-5 antistatic standards
- **Reduced cross contamination risks:** Low-linting fabric lessens cross contamination risk in critical areas
- **Limited allergy and surface defect risks:** Latex- and silicone-free by design, risks of Type IV latex allergies or contaminant transfer to metal when spray-painting are minimized
- **Enhanced fit and features:** This chemical-protective suit's optimized fit and finger loops enhance comfort and user-friendliness, while a three-piece hood provides added protection and a two-way front zipper with resealable storm flap enhance practicality

\*CE Category III Type 5/6 protection

\*\*in accordance with EN 1073-2 standards

## Industries

- Life Sciences
- Automotive
- Metal fabrication
- Food Processing
- Defense
- Agriculture
- Automotive Aftermarket
- Chemical
- Emergency Medical Services
- Machinery and Equipment
- Energy
- Utilities

## KEY FEATURES & BENEFITS

- **Protective barrier:** Enhanced personal protection
- **Microporous laminate fabric:** Reduced risk of heat stress

## Material Diagram

## Applications

- Clean room cleaning and preparing
- Production line support & maintenance
- Maintenance of plant and machines
- Veterinary Services
- Cleaning of plant and machines

## Technology

## Seam Diagram

## Performance Standards

EN ISO 13688:2013

## Product Information

| Product Information |   |
|---------------------|---|
| Available Sizes     | S, M, L, XL, 2XL, 3XL, 4XL, 5XL             |
| Color               | White                                       |
| Country Of Origin   | Sri Lanka                                   |
| Models Available    | 02, 103, 113, 122,                          |
| Packaging Overview  | Individually Packed                         |
| Product Material    | Microporous polyethylene Laminate non-woven |
| Product Reference   | 2000 STANDARD - Model 111                   |
| Seam Type           | Bound                                       |
| Shelf Life          | 5 years                                     |
| Style Number        | W20B111, G20B111                            |

## Suit components & accessories

### Suit Components and Accessories

#### Design Features

3-piece hood, 2-way front zipper with resealable storm flap, finger loops. Elasticated hood, waist, wrists and ankles.
