

VIKING HOT WATER SUIT (HWS)

Hot Water Suit for saturation diving, offshore and military diving

Neoprene dry suit diving suitable for saturation, offshore and military diving .

- **Enhanced features:** The VIKING® Hot Water Suit (HWS) provides a constant supply of hot water inside the suit, which keeps the diver comfortable throughout the dive
- **Improved durability:** ZONZ™ This diving suit features an abrasion-resistant RO-TEX nylon exterior that improves durability
- **Elevated comfort:** In addition, this protective suit's unique click function valve, which has three flow settings and a dump mode, affords wearers increased comfort
- **Varied capabilities:** Thanks to the PU coating on this dry suit diving, it is easy to clean and provides necessary reinforcements on knees and elbows

Industries

- Military
- Commercial Diving

Applications

- Nuclear pond inspection
- Cleaning ship Hulls
- Clearing a fouled propeller
- Welding and Inspection

KEY FEATURES & BENEFITS

- **Constant supply of hot water:** Keeps diver comfortable during the dive
