

EDGE™

48-205

Affordable solution for demanding extraction jobs

Impact

Heavy Duty

Robust impact-resistant gloves, granting high cut and abrasion resistance with a firm grip

- **Advanced defenses:** EDGE™ 48-205 cut protection gloves feature a palm made from high-performance fibers that meet ANSI A6 cut resistance standard
- **Specialized protection:** Made for heavy-duty extraction and maintenance work, these protective gloves possess back-of-hand PVC bumpers that significantly reduce the risk of crush, pinch and impact injuries
- **Enhanced grip:** EDGE™ 48-205 industrial gloves afford a reliable grip thanks to the unique material used on the palm
- **Optimized visibility:** These bright yellow cut-resistant gloves ensure that hands are visible and safe in dark conditions
- **Added features:** Reinforcement patches extend the wear life of EDGE™ 48-205 hand protection gloves, while their wide neoprene cuff allows easy donning and doffing

Industries

- Automotive
- Energy
- Maintenance
- Mining

Applications

- Drilling / Extraction
- Exploration
- Heavy-duty Maintenance
- Production/Processing
- Roughneck & Roustabout tasks

EDGE™

48-205

Affordable solution for demanding extraction jobs
