

11-202

The most comfortable Hi-Viz cut resistant sleeve in the Ansell range

High-visibility protective arm sleeves, ensuring user safety while offering superb comfort

- Elevated comfort: HyFlex[®] 11-202 arm protection sleeves are designed to provide a comfortable fit, offering plentiful space in the arm area, thereby reducing sweating and itchiness
- Augmented dexterity: The anatomical design of these protective arm sleeves is paired with a VELCRO[®] strap system, for an optimized fit and freedom of movement, for trouble-free productivity
- Assured safety: Their high-visibility exterior enhances safety and prevents workplace injuries
- Heightened protection: These protective sleeves also boast EN 407 level 1 thermal protection, to protect against heat up to 100°C/212°F, and ANSI A3/EN ISO C cut resistance, to guard against lacerations
