

- **Empowering protection:** KleenGuard™ Personal Protective Equipment (PPE) enables rather than inhibits allowing for maximum productivity and safety for you and your employees
- **Precision reliability:** When you are conducting sensitive critical quality control inspections, you can count on KleenGuard™ G35 Inspection Gloves
- **Low-lint construction:** Made with 100% nylon for low lint, they can help protect the inspection process and reduce rework in a way cotton gloves cannot
- **Seamless sensitivity:** They feature a seamless construction and offer excellent dexterity and sensitivity so that your inspectors can detect imperfections and defects
- **Silicone-free versatility:** The ambidextrous gloves are not made with silicone, so you can comfortably use them for quality inspections in a variety of environments, including film handling and the automotive and aerospace industries also Making the right Personal Protection choice is difficult
- **Distinctive performance:** Perform with distinction with KleenGuard™ Personal Protective Equipment (PPE)

KleenGuard KGG35100
