

R-299

Durable heavy-duty impact protection gloves, offering advanced cut resistance and grip

Impact Abrasion Protection

Durable heavy-duty impact protection gloves, offering advanced cut resistance and grip

- Enhanced grip: RINGERS® R299 impact gloves feature a durable grip system on the palm and fingers, for high-performance grip levels in heavyduty conditions
- Advanced defenses: These RINGERS® gloves also boast an additional palm layer, granting wearers heightened cut resistance for a variety of applications
- Specialized protection: Featuring a patented TPR (thermoplastic rubber) design developed with F3 Technology™, these gloves provide ANSI/ISEA 138-2019 Level 2 impact protection for the knuckles, thumb, and full length of the fingers
- Enhanced features: These heavy-duty gloves also feature a convenient extended airprene wrist closure with TPR pull tab, as well as Kevlar® palm stitching and an increased visibility external surface, for added safety and security
