

## 96-001

100% cotton canvas bag to protect electrical gloves from folding, heat, humidity and more

Storage protection, puncture, abrasion Electrical

## 100% cotton canvas bag to protect electrical gloves from folding, heat, humidity and more

- **Increased durability:** The ActivArm® 96-001 canvas storage bag is made from 100% cotton, with a heavy canvas construction that prevents your electrically insulated gloves being damaged by folding, heat, sunlight, humidity, ozone and chemical substances
- **Genuine practicality:** The brass metal buckle facilitates carrying or hanging while storing your rubber gloves
- **Enhanced usability:** This bag's snap closure is easy to use and helps keep your safety gloves neatly arranged
- **Varied sizing options:** The ActivArm® 96-001 storage bag is also available in different lengths\* to accommodate different glove sizes
