

# ACTIVARMR™

## 97-012

General purpose increased visibility glove

Multi Purpose

Light Duty

## Increased visibility multipurpose gloves, ensuring hand protection in dark environments

- **Heightened protection:** Thanks to their extra visibility palm and back-of-hand, ActivArmr™ 97-012 industrial gloves improve worker safety in low-light conditions, protecting hands while ensuring a firm grip on wet and dry surfaces
- **Improved comfort:** These nitrile-coated work gloves feature a 15-gauge liner that guarantees comfortable all-day wear, keeping hands dry and affording ample dexterity for handling smaller items
- **Advanced ergonomics:** ActivArmr™ 97-012 protective gloves are naturally curved, resulting in a relaxed fit and reduced tension
- **Reduced surface defect risks:** Silicone-free, these work gloves prevent potential surface defects while ensuring a high-quality finish

### Industries

- Energy
- Mining

### Applications

- Signalling/Positioning
- Positioning
- Operating of heavy machinery
- Loading and hauling
- Hydraulic repair
- Product inspection
- Shipping and loading of product
- Vehicle Maintenance
- Conveyer and longwall maintenance
