

## 97-013

## Medium duty increased visibility glove

# Durable increased visibility work gloves, designed to protect workers in low-light conditions

- Specialized protection: ActivArmr® 97-013 industrial gloves possess high-visibility features on the palm and back of the hand, with a retroreflective logo, to ensure wearer safety in dark/low-light conditions
- Optimized comfort: With a 13-gauge fiberglass and polyester liner, ActivArmr<sup>®</sup> 97-013 safety work gloves keep hands comfortable and sweat-free throughout the day
- Advanced ergonomics: These hand protection gloves offer a naturally curved, relaxed fit, for reduced hand fatigue and increased dexterity
- Improved cut resistance: They are also designed with INTERCEPT™ Cut Resistance Technology, for better laceration defenses
- Added grip: ActivArmr<sup>®</sup> 97-013 medium-duty gloves boast excellent grip in both wet and dry working environments
