

Electrical Insulating Gloves Class 2 -RIG214B

Durable, flexible high-voltage electrical protection gloves, for assured hand protection

Previously known as: E100

MD

Electrical

Medium Duty

Durable, flexible high-voltage electrical safety gloves, for assured hand protection*

- Heightened durability and flexibility: ActivArmr[®] Electrical Insulating Gloves Class 2 - RIG214B are latex-made, using an eco-conscious dipping process, for durable, flexible electrical PPE
- Advanced ergonomics: These electrical gloves' hand-at-rest design and non-splayed fingers help lessen hand fatigue
- Elevated comfort: A flared cuff provides ventilation and room for clothing
- Increased practicality: These electrical safety gloves feature a smooth finish, for easy donning and doffing
- **Specialized defenses:** They are arc flash certified (APC 2 in combination with 96-003 leather gloves) and resist a touch voltage AC maximum of 17000 V (DC maximum 25500)
- Certified protection: They possess EN Category R* and Category C** certification, while meeting relevant CSA, NFPA and OSHA standards *For passing A+Z+H properties **Resistance to very low temperatures

Industries

- Automotive
- Electrical
- Construction
- Mining
- Machinery and Equipment

Applications

- Applications with risk of touch voltage
- Electrical Contractors
- Hybrid engine manufacturing and repair
- Maintenance Repairs and Operations in all industrial environments (MRO)
- Mass Transit Repair and Maintenance
- Power maintenance, repair & transmission
- Telecom repair near electrical wires

Electrical Insulating Gloves Class 2 -RIG214B

Durable, flexible high-voltage electrical protection gloves, for assured hand protection

Previously known as: E100

Key Features

- Natural rubber latex formulation: Inherent durability and flexibility
- Ergonomic design: For safety gloves that minimize hand fatigue
- Generous flared cuff: Ideal space for both ventilation and clothing *Arc flash certified as per IEC 614821-2:2014 and ASTM F2675:2021 standards

Performance Standards & Regulatory Compliance

In-house testing

X232C
