AlphaTec™

56-009
PVC Aprons

Medium-duty PVC protective apron, protecting wearers against acids, bases, oils, fats, punctures, and abrasion

- **Specialized protection:** The AlphaTec™ 56-009 medium-duty protective apron is made with 5-6 mil PVC material and features a raw edge finish, for protection against acids, bases, chemicals, fats, oils, punctures, and abrasion
- **Optimized fit:** Thanks to its permanently sealed PVC grommets and three-piece 28-inch ties, this AlphaTec™ apron enables wearers to adjust the size without the need for tear-out, for a durable, adjustable, and consistent fit
- **Reduced contamination risks:** Its seamless vinyl construction also minimizes the risk of trapping contaminants
- **Enhanced flexibility:** This safety apron's PVC formulation also means it is flexible, yet durable

Industries

- Food Processing
- Life Sciences

Applications

- Storing and transportation
- Transferring liquids
- Packing of fillets and ground meat
- Plant disinfection and sanitization
- Equipment maintenance and repair
- Canning
- Bottling

AlphaTec™
