AlphaTec™

56-102
PVC Aprons

Durable, heavy-duty PVC apron, ensuring wearer safety against chemicals, oils, punctures, and more

- **Specialized protection:** Designed with flexible 18 mil die-cut PVC fabric, the AlphaTec™ 56-102 apron offers chemical splash protection, resisting various acids and bases, as well as oils, grease, punctures, and abrasion
- **Optimized fit:** Made with sealed grommets and 48-inch ties, this protective apron is easily adjustable, enabling wearers to find the most comfortable fit for them
- **Improved durability:** Thanks to its vinyl construction, this PVC apron also remains durable, despite sustained wear

Industries

- Food Processing
- Life Sciences

Applications

- Storing and transportation
- Transferring liquids
- Packing of fillets and ground meat
- Plant disinfection and sanitization
- Equipment maintenance and repair
- Canning
- Bottling

AlphaTec™
