

Polyethylene disposable apron, protecting wearers from chemical splashes, oils, fats, and grease

- **Specialized protection:** The AlphaTec™ 56-210 die-cut polyethylene disposable apron is perfect for light-duty applications, granting wearers chemical splash protection, while withstanding oils, fats, grease, and more
- **Simplified fit:** Designed with integral material ties, this protective apron enables wearers to adjust the fit to their liking with exceptional ease
- **Assured convenience:** Thanks to the use of economical polyethylene material and easy-access dispenser bag packaging, this safety apron is both inexpensive and hassle-free

Industries

- Food Processing
- Life Sciences

Applications

- Storing and transportation
- Transferring liquids
- Packing of fillets and ground meat
- Plant disinfection and sanitization
- Equipment maintenance and repair
- Canning
- Bottling
