

## Lightweight reinforced Urethane apron for comfort and extended wear

- These nylon reinforced aprons feature 7mil urethane with sewn edges and offer users a combination of chemical protection, flexibility and toughness
- 3-piece 28 inch ties and sealed grommets provide a durable, consistent and adjustable fit on all sizes and styles
- 56-600 aprons are designed for comfort and extended wear

### Industries

- Food Processing
- Life Sciences

### Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids

## PRODUCT INFORMATION

### Reliable Protection

- Wherever oil, grease and chemicals are present Ansell aprons help workers keep clean and protected from harmful contact
- Urethane aprons offer superior flexibility and excellent resistance to chemicals, fats, oils and grease

### Durable

- The urethane is nylon reinforced to resist tearing, abrasion and puncture yet remains flexible due to its lightweight construction
- Sealed grommets allow for size adjustment without tear-out

### Comfort and Selection

- Bib styles in two sizes
- Adjustable ties ensure optimal fit for a wide range of users
