AlphaTec™

87-198

Lightweight natural rubber glove with flocked lining

Previously known as: VersaTouch® 87-198

Light-duty rubber protective gloves, combining tensile strength, sensitivity and water repellence

- **Assured protection:** AlphaTec™ 87-198 work gloves are made from natural latex rubber, which combines tensile strength and tactile sensitivity, for moderate mechanical and chemical protection with added dexterity
- **Elevated comfort:** These light-duty durable work gloves also feature 100% cotton flock lining, minimizing sweat buildup and related discomfort
- **Enhanced features:** In addition, these AlphaTec™ gloves undergo a special wax treatment, enhancing their water repellence capabilities
- **Food handling compliance:** Satisfying relevant FDA and EU food safety requirements (including 21 CFR 177.2600), AlphaTec™ 87-198 work gloves make for ideal food handling gloves for various food processing applications
