

Previously known as: Therm-A-Knit™78-200

Multi Purpose

Light Duty

Multipurpose, light-duty work gloves, offering high tactile sensitivity and dexterity

- **Specialized protection:** Owing to their special low-lint properties, EDGE® 78-200 protective gloves are ideal for guarding products against cotton lint and contamination from the hands
- **Enhanced dexterity:** Made from lightweight yet breathable nylon yarn, these lightweight work gloves provide high tactile sensitivity and dexterity
- **Improved features:** EDGE® 78-200 hand protection gloves reduce injuries, discomfort and contamination thanks to their elastic knitwrist, which fits snugly to keep dirt and debris out

Industries

- Automotive
- Automotive Aftermarket
