

**11-270** Economical Light Duty Cut Resistant Sleeve

# Silicone-free ambidextrous protective sleeves, made with comfortable, dual-layered nylon

- Genuine versatility: HyFlex<sup>®</sup> 11-270 protective arm sleeves may be worn on either arm interchangeably and come in various length options, for added practicality
- Improved durability: Their dirt-masking dark color scheme extends wear life, making them particularly suitable for certain applications
- **Reduced surface defect risks:** These arm protection sleeves are also silicone-free by design, making them suitable for spray-painting applications
- Food handling compliance: Compliant with FDA food handling regulation 21 CFR 177.2600, HyFlex<sup>®</sup> 11-270 protective sleeves are also ideal for food processing

#### Industries

- Automotive
- Machinery and Equipment
- Metal fabrication

#### **Applications**

- Equipment repair & maintenance
- Inspection, selecting, checking parts
- Touching up
- Picking parts and accessories
- Delivery of finished equipment
- Assembly & inspection of components

## **Key Features**

- Ambidextrous design: Worn on either arm, for added practicality
- Dirt-masking darker tone: Prolonged wear life
- Silicone-free and FDA-approved: Ideal for spray-painting or food handling

### **Performance Standards & Regulatory Compliance**
