- Assembling and mounting components
- Fastening components, parts
- General handling
- Transport & Logistics

HyFlex®

ADVANCED MECHANICAL PROTECTION

11-816

The ideal balance of comfort, tactility and durability

Key Features

- Unparalleled comfort and extreme tactility**
 The combination between the thin liner and coating provide extreme comfort and a barehand feel for workers who rely on fingertip sensitivity for precision tasks
- Extended glove life and secure grip**
 The FORTIX™ coating lasts longer than comparable styles under abrasive conditions for a longer wear life. HyFlex 11-816 also ensures a secure grip in dry environments
- Silicone free**
 No transfer of silicone contaminants to metal parts prior to painting
- Clean & skin friendly**
 Benefits from proprietary washing process that efficiently extracts impurities to deliver a cleaner, more comfortable glove

Performance Standards & Regulatory Compliance

REACH Compliant
