

HyFlex™

74-021

Cut resistant heavy duty sleeve

Previously known as: PolarBear®74-021

Cut

Heavy Duty

Protective sleeves delivering cut resistance, flexibility and comfort

- **Advanced defenses:** HyFlex® 74-021 protection sleeves for arms are made from 7 gauge knitted heavyweight Spectra® yarns that are wrapped in polyester, offering excellent cut protection up to the shoulder as well as comfort and flexibility
- **Increased protection:** In addition, these HyFlex® sleeves have an adjustable strap which helps to hold the sleeve in place easily
- **Reduced risk:** As these durable HyFlex® arm sleeves can be bleached while laundering, the risk of cross contamination is lowered

Industries

- Automotive
- Food Processing
- Metal fabrication

Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Metalworking & assembly operations
- Assembly & inspection of components
- Slicing, cutting and shopping
