R-138

Touchscreen-compatible, high-visibility automotive gloves, for dexterous hand protection

Multi Purpose | Abrasion Protection | LD Light Duty

Touchscreen-compatible, increased visibility automotive gloves, for dexterous hand protection

- **Elevated comfort:** RINGERS® R138 automotive gloves feature a soft, lightweight and durable mesh fabric on the top of the hand to deliver comfortable, flexible personal protection
- **Improved durability and grip:** These automotive gloves also possess a premium synthetic split leather palm, ensuring durability and enhancing grip performance
- **Enhanced features:** RINGERS® R138 safety gloves boast a wear and tear-resistant wraparound index finger, a hook and loop TPR pull tab wrist closure and touchscreen-compatible thumb tips, index and middle fingers
- **Increased safety:** Their increased visibility mesh exterior and reflective markings also make them more noticeable and help prevent workplace injuries
