R-179

Medium-duty impact gloves featuring a cut-resistant dual-layer synthetic leather palm

Impact | Abrasion Protection | Cut | Medium Duty

Medium-duty impact gloves featuring a cut-resistant dual-layer synthetic leather palm

- **Certified protection:** Developed with F3 Technology™, RINGERS® R179 impact gloves feature TPR (thermoplastic rubber) knuckles, thumb and full length of fingers, delivering ANSI/ISEA 138 level 2 impact protection
- **Strengthened grip:** These RINGERS® gloves' durable synthetic leather palm enhances grip performance, for more assured hand protection
- **Added defenses:** RINGERS® R179 safety gloves feature an additional palm layer, providing advanced EN 388 level F for cut resistance and ANSI/ISEA 138 level 2 for impact protection.
- **Enhanced features:** They are made with high-visibility material, for improved workplace safety, and boast a slip-on cuff for a more secure fit and better everyday usability

Industries

- Oil and gas
- Construction
- Machinery and Equipment
- Metal fabrication

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Environmental clean-up and remediation
- Handling iron
- Valve - line maintenance and repair
- Heavy machine operation
- Equipment maintenance and repair
- Pipe handling
- Handling materials with sharp or rough edges
- Loading raw material
- Metalwork, glass processing
- Delivery of parts to production line
- Delivery of finished equipment
- Production line support & maintenance

R-179

Medium-duty impact gloves featuring a cut-resistant dual-layer synthetic leather palm

Key Features

- **Patented TPR design:** Knuckles, thumb and finger-length impact protection
- **Dual-layer synthetic leather palm:** Enhanced grip and cut resistance
- **Slip-on elastic cuff design:** Easy to don and remove

Performance Standards & Regulatory Compliance
