

R-279

Heavy thermal-insulated impact gloves, with a waterproof barrier and durable leather palm

Cold

Medium Duty

Heavy thermal-insulated impact gloves, with a waterproof barrier and durable leather palm

- **Specialized protection:** RINGERS® R279 thermal gloves boast a patented TPR (thermoplastic rubber) design, developed with F3 Technology™, delivering knuckles, thumb and finger-length impact protection
- **Advanced thermal defenses:** Designed with 150g Thinsulate™ insulation and a proprietary waterproof barrier, these RINGERS® gloves grant wearers warm, dry hand safety in the most extreme conditions
- **Heightened grip:** Their Kevlar®-stitched palm is made with genuine leather and features PVC grip patches, for secure grip that defies the elements
- **Enhanced features:** These impact gloves' secure gaiter closure and high-visibility design, featuring reflective detailing, further enhance workplace safety, while touchscreen-compatible thumb tips, index and middle fingers make for safer everyday wear

Industries

- Construction
- Energy
- Mining

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Assembly and disassembly of large pipes
- Unloading and stacking pipe
- Preparation of site - set-up and disassembly of tool string
- Set-up of pressure manifold and tubing injector head
- General pumping work
- Preparation of site - unloading of lines and valves
- Handling iron - rigging work
- Handling of tools
- Environmental clean-up and remediation
- Valve - line maintenance and repair
- Heavy machine operation
- Equipment maintenance and repair
- Pipe handling
- Cold Storage
- Loading and hauling

R-279

Heavy thermal-insulated impact gloves,
with a waterproof barrier and durable
leather palm

Key Features

- **Patented TPR design:** Knuckles, thumb and finger-length impact protection
- **150g Thinsulate™ insulation:** Enhanced warmth and added comfort
