

R-630

Structural Fire Glove made of Cowhide Leather

Heat

Heat & Fire Protection

HD

Heavy Duty

Durable structural fire gloves, providing heat-resistant, waterproof hand protection

- **Thermal protection:** RINGERS® R630 structural fire gloves are lined with Kovenex®, for flame-resistant thermal hand protection
- **Improved durability and flexibility:** They boast Eversoft® thermal split cowhide leather reinforcement around the palm, top of the hand and wristlet, with a Kevlar®-stitched construction and seamless fingertips, making them highly durable and flexible
- **Waterproof design:** These flame-and heat-resistant RINGERS® gloves also feature a Porelle® insert, providing a waterproof barrier and excellent protection
