

R-662

Leather comfort and dexterity with ideal impact and cut protection.

Impact

Abrasion Protection

Cut

Light Duty

Premium leather cut-resistant impact gloves, combining dexterity and comfort

- Improved durability and dexterity:** Developed with F3 Technology™, high-quality grain goatskin leather and a wraparound index finger design, as well as a thumb saddle patch reinforcing the seams, these work gloves combine dexterity, durability and advanced cut resistance
- Cut-resistant palm lining:** RINGERS® R-Hide Light-Duty Impact gloves feature full palm lining, for further enhanced cut resistance and excellent all-round hand protection
- Specialized protection:** RINGERS® R-Hide Light-Duty Impact gloves feature an increased visibility TPR (thermoplastic rubber) design around knuckles, thumb and fingers, delivering superb impact protection
- Enhanced features:** These safety gloves' slip-on cuff design facilitates donning and removal, boosting safety and ease of use, while a wing-thumb construction and single full palm further improve their flexibility

Industries

- Manufacturing
- Energy
- Machinery and Equipment
- DIY
- Construction
- Automotive Aftermarket
- Metal fabrication

Applications

- Preparation of site - unloading of lines and valves
- Handling iron - rigging work
- Handling of tools
- Heavy machine operation
- Equipment maintenance and repair
- Pipe handling
- Handling materials with sharp or rough edges
- Loading raw material

R-662

Leather comfort and dexterity with ideal impact and cut protection.

Key Features

- High-quality grain goatskin leather:** Enhanced dexterity and durability
- Superior cut-resistant lining:** Palm cut resistance for wearers
- Slip-on cuff design:** For impact gloves that are easy to don and remove
