V430

Fingerless split leather glove with Anti-Vibe padded palm

Vibration

Split leather protective gloves with split cowhide leather palm and Anti-Vibe gel padding

- **Reinforced grip:** VALEO-V430 half-finger hand protection gloves feature split cowhide leather palms that enhance grip, while delivering superb dexterity and control
- **Increased protection:** These anti-vibration safety gloves have gel padding in the palm, thumb, thumb joint and all fingers, which reduces vibration and palm impact
- **Added safety:** To improve personal protection, VALEO-V430 durable work gloves provide an elastic cuff with hook & loop closure
