

## V450

Fingerless Anti-Vibe padded palm glove with cotton mesh back

Vibration

# Fingerless impact gloves offering Anti-Vibe Gel-padded palm and breathable cotton mesh back

- **Heightened protection:** VALEO-V450 hand protection gloves' Anti-Vibe Gel padding reduces vibration and palm impact
- **Elevated comfort:** These anti-vibration safety gloves possess cotton mesh backs that enhance breathability and prevent moisture build-up
- **Augmented tactility and flexibility:** Made from genuine leather, VALEO-V450 durable work gloves ensure the highest levels of tactility, flexibility and dexterity
- **Optimized dexterity:** Thanks to their half-finger design, these industrial gloves deliver superb dexterity and control for meticulous work
- **Increased features:** In addition, these impact-resistant gloves have soft terry lining and elastic cuffs with hook and loop closure, granting wearers a secure and snug fit
