

## V460

Anti-Vibe Fingerless Glove Liner with synthetic leather palm

Vibration

# Fingerless safety gloves with Anti-Vibe gel-padded palm and flexible Lycra® fabric back

- **Improved durability and grip:** VALEO-V460 half-finger hand protection gloves feature split cowhide leather palms, resulting in improved grip performance as well as superb dexterity and control
- **Specialized protection:** Thanks to the AV gel on their palm, thumb and index finger, these mechanical protection gloves ensure reduced vibration as well as palm impact, adding impact protection to standard work gloves
- **Advanced defenses:** In addition, these breathable gloves possess a Lycra® fabric back, increasing the safety levels of standard work gloves and can also be worn on its own
