

VCL6

Classic 6" Lifting Belt with adjustable cam buckle closure system

VCL classic 6" lifting belt with an adjustable cam buckle closure system

- **Advanced protection:** The VALEO-VCL6 classic 6" lifting belt, which features a locking torque ring closure system with a precision-adjustable cam buckle, enhances intra-abdominal pressure and moves the stress away from the spine, providing additional support for lifting and ensuring optimal personal protection
- **Improved durability, stability and grip:** Owing to its rugged outer shell, this protective gear combines durability, stability and grip
- **Elevated comfort:** In addition, VALEO-VCL6 possesses a brushed tricot lining, which increases breathability and comfort
- **Added feature:** To enhance comfort and performance, this lifting belt also offers a durable nylon mesh webbing

Note: It is not guaranteed that wearing a lifting belt will prevent injury or cure lower back pain.

Industries

- Construction
- Manufacturing
