

## Lightweight latex gloves that provide superior comfort and tactility

- **Exceptional fit and feel:** Made from high-quality elastic latex, TouchNTuff™ 69-318 gloves offer superior comfort
- **Heightened sensitivity:** The thin design provides excellent tactility when compared to standard latex gloves
- **Secure handling:** Fully textured surface allows wearers to securely grip tools, small objects and delicate instruments to be changed
- **Food handling compliance:** These gloves are food-handling compliant, and thus are suitable for a wide variety of food handling applications

**CAUTION:** This product contains natural rubber latex, which may cause allergic reactions

### Industries

- Life Sciences
- Food Processing

### Recommended For

- All food processing, applications that have food contact
- Meat, Fish and Food Processing
- Sample taking and processing
- Testing
- Vehicle maintenance
- Secondary food processing
- Food contact
- Food processing and handling
